Rapid

- 
- The image shows the front of the Brandt Vortex 1000 dishwasher with its door open. The interior features two main racks of stainless steel mesh. The control panel is located on the top edge of the door, displaying the 'vortex' logo, a Wi-Fi symbol, and various icons for power, delay, and program selection. The 'Brandt' logo is prominently displayed in the center of the panel. Below the panel is a large, horizontal, metallic handle. The dishwasher is set against a dark background.

Cabinetry panels are not provided.

## Vortex Wash System

The VORTEX wash feature is positioned at the lower section of the dishwasher tub, generating a concentrated and powerful cleaning zone.

The cleaning of greasy or baked-on pots can now be accomplished with increased efficacy and excellence, alleviating concerns regarding the potential damage to delicate glasses positioned in the higher baskets.
